

FLORIDA ATLANTIC UNIVERSITY

College of Engineering & Computer Science

ED2 Individual Student Log Sheet

This log sheet is to be filled out weekly and reviewed, initialed and dated by an advisor (*coordinators can review when advisors are not available*). Advisors will check the logbooks to match the progress summary on this form. You will be required to turn this sheet in near the end of the semester to the course coordinators when requested. Report any problems.

Semester: (circle one) Fall Spring Summer, Year 20____
