## Dissertation Research Progress Report

Semester and year: \_\_\_\_\_

All doctoral students must meet with their supervisory committee to present their progress, every semester that they register for dissertation credits. All members of the supervisory committee are expected to be present at the meeting and provide generous support for student's research efforts. All committee members in attendance must sign the progress report.

**Dean's office will place a registration hold on students taking dissertation credits. The hold will be removed by the Dean's office only after a copy of the completed progress report is received in the Dean's office.**

Committee Meeting Date: \_\_\_\_\_

Student's Name: \_\_\_\_\_

Student "Z" Number: \_\_\_\_\_

Student's Department: \_\_\_\_\_

Briefly describe the student's progress made to date on his/her dissertation research and highlight the major accomplishments, including research publications (indicating published, submitted, and/or in preparation).
